

Diamond Commercial Contractor (DCC) 2 Year Labor Warranty Election Form

Date: 6/12/2023

The project below has a 10/10 Compressor and Parts Warranty in effect. Your company is a METUS DCC contractor in good standing so the Project also qualifies for a 2 year Labor Warranty at no cost to you if elected:

PROJECT:

Monday, 06-12-2023
Extended Warranty #: CMWR-14212
Parts Limited Warranty Expiration Date: 05-23-2033
Compressor Limited Warranty Expiration Date: 05-23-2033
Site Name: St. Gregory School, Danbury, CT
Contractor: Eastern Mechanical Services, Inc. - Danbury
Distributor: Homans Associates - Brookfield

We have received the documentation for St. Gregory School, Danbury, CT and have assigned an Extended Warranty number to the system(s) listed in this confirmation. This is proof of the extended parts limited warranty.

Model Number	Serial Number
PUHY-EP168TNU-A	26P00011

Please check the following with an X and return per the instructions below:

2-Year Labor Warranty

Note: if you submitted the as built DSB file to METUS for 10/10 and included the serial numbers for the IDUs, BC Controllers (if applicable) and Central Controllers, you do not need to supply these again. If these were not included with the DSB as built file then please return a list of those serial numbers in XL or Word format along with this election form. M&P mini splits on the project are not eligible for this offer.

Return the completed form **within 30 days of receipt of this notice** to DCCLaborwarranty@hvac.me.com.
