

I joined Eastern Mechanical Services in March 2024 as the Director of Finance. Before this role, I served as the Business Manager/Controller at Rock Ridge Country Club and worked at GE Capital in Credit and Six Sigma Quality. I bring over 30 years of experience in controllership, finance, and human resource management to the team.

I hold an MBA in Finance from Sacred Heart University and a Bachelor of Science in Business Administration with a focus on Technical Management from Western New England University.

I reside in Newtown with my three sons, two cats, and a dog. Outside of work, I enjoy cooking, traveling, entertaining, and spending time with family and friends.
