

For the past three years, I've been part of EMS's Service Department. I graduated from Marist College with a degree in Business Management, where I also enjoyed being on the equestrian team.

Before EMS, I worked in retail management at Home Depot and Sears. Now, I love the variety and challenge of my role here.

Outside of work, I enjoy adventures with my two sons, Rey and Tyson, aged 15 and 13. We love visiting amusement parks, water parks, and the beach. When we're home, I unwind with TV and books, often cuddling with my cat, Princess Zelda.

I'm originally from Bethel, CT, but now call New Milford, CT home. At EMS, my coworkers feel like family, making work a joy every day.
