

Ty Wilmot has a background spanning seven years in the electrical trade, including three years as a dedicated foreman with a knack for leadership and innovation. A proud holder of the E-1 master electrician license, Ty brings a wealth of knowledge and experience to every project he undertakes. Specializing in both commercial and residential projects, Ty looks to set new standards of excellence in the industry.

Ty is eager to assist clients in bringing their electrical visions to life. Specializing in plan & spec as well as design-build projects, Ty offers comprehensive consultation services aimed at turning concepts into reality. From initial planning and specification to final execution, Ty and our EMS Electrical Division are excited to assist our valued customers.

Beyond his professional pursuits, Ty can be found indulging in his passion for riding his Harley Davidson motorcycle. When not on his bike, Ty cherishes quality time spent with his wife and their loyal black Labrador Retriever.
